before New Jersey Transit takes away  
The Hudson-Bergen Light Rail connection from Ridgefield!**

Several years ago I came to the Ridgefield Center to make the Hudson Bergen Light Rail Presentation which was endorsed by The New Jersey Light Rail Assembly Bi-Partisan Legislative Panel, New Jersey Transit and Bergen County. Recently NJ Transit has cut out its plans for Light Rail Northern Extension in favor of diesel multiple units (DMUs). Why? NJT has many reasons, **ALL WRONG!**

**WE DESERVE BETTER!** The Northern Extension was to be in Ridgefield by 2007, continuing to Palisades Park, Leonia, Englewood and then Tenafly. A public hearing was held in Tenafly sponsored by NJ Transit in February. Did you know about it? We don't think so! We asked many questions that day. We were given only 3 minutes each to speak and then it took 3 months for NJT to answer us. While Hudson County is reaping the benefits of Light Rail, NJT is trying to kill Bergen's Light Rail Extension. Come to this meeting learn the facts and what it means to you and your property taxes, your environment and your quality of life.

**BRING YOUR FRIENDS AND NEIGHBORS. THIS IS TOO IMPORTANT TO MISS!  
See you there.**
